To Whom it May Concern,

Please accept this letter as my formal resignation from my position as Branch Collector at Fast Cash, effective December 6, 2025. This decision for immediate resignation was carefully made, following the advice of my immediate supervisor (BM) in front of other branch staff and our area manager, in order not to be a burden to the team.

While I am deeply grateful for the 3 years and 4 months of opportunities and experience, I have gained with the company, recent circumstances have made it difficult for me to continue in my role.

I have always taken pride in fulfilling my duties—managing two areas with over 60 clients and completing all necessary paperwork up to 4:00 p.m. daily. However, being publicly demeaned, having my work questioned, and being referred to as a burden in front of my colleagues is something I cannot accept.

I remain thankful to Fast Cash for the learning and growth I have achieved during my tenure. I wish the company continues to be successful in the future.

Respectfully,

John Michael Villarino
